SPORTS INDUSTRY OF INDIA INC.

Expansion Announcement!

Sports Industry of India Inc. has retained DelMorgan & Co. to raise expansion funds in order to dominate the Indian University sports market.

With over 150 years of combined experience and over $300 billion in successfully completed transactions, the professionals at DelMorgan & Co. are ideally suited to assist SII Inc. going forward.

As you know, SII Inc.'s portfolio consists of sports leagues, university associations, federation sports, sports media assets, and the corresponding original sports programming created at the professional, federation, and university level. Our portfolio also includes a collegiate licensing and branded products business. SII Inc., operates through it's 99% Indian subsidiary, Elite Sports

India Pvt. Ltd. (ESI).

SII Inc.'s business plan includes expansion into the commercialization of university sports in India, including eSports, and introducing, organizing and telecasting/streaming American tackle football as a university and professional sport.

About DelMorgan & Co:
